Product Name :
Dual Zone Door Frame Metal Detector

Product Code :
UAEBODE0017

Description :

Dual Zone Door Frame Metal Detector

Technical Specification :

We are engaged in offering supreme quality Door Frame Metal Detector to our esteemed customers. Manufactured using modern technology and high grade components by our experts, these products are assured for their high finish and durability. Moreover, they are exceedingly demanded in the industry for their functionality and efficient results.

Features

High efficiency

Accurate results

Easy to operate

Metal Detector Type: Walk Through Metal Detector

Range: >10 meter

Battery Charging Type: Plugged in Charging

Color: Single

Max Scanning Width: 3 ft

Power Supply: 220 v

Metal Type: All Types

Internal Battery Backup: Yes

Detection Zones: Single

Arch Assembly: 910 x 590 x 2170 mm

Features: Plugged in Charging, Rechargeable Batteries, Sensitivity Adjustment, Built in Speaker

Alarm Mode: Led Lights, Sound, Vibration

Dimension: 750 x 590 x 2000 mm

Weight: 75 Kg approx

Alarm Sound: Yes

Battery Type: Yes

Customized size and specification as per your drawing or sample. We Dual Zone Door Frame Metal Detector suppliers UAE Dubai, can make the Dual Zone Door Frame Metal Detector as per your request, specification, size and bulk quality Dubai.
