Product Name :
Twin Shaft Concrete Mixer Cement Stand Machine

Product Code :
EQUP-UE-MXE0006

Description :

Twin Shaft Concrete Mixer Cement Stand Machine

Technical Specification :

Twin shaft JS concrete mixer cement stand machine have two advantages: independent performance and forming simple concrete mixing plants with PLD series of batching machines. JS concrete mixers for sale have stronger mixing effect than that of self-falling concrete mixer, so JS concrete mixer are suitable to mix dry concrete and light weight aggregate concrete. when apply to concrete, materials are delivered to storage hopper of block machine, parameters can be set according to the humidity of material and the variety of aggregate.

Rated discharging volume: 500L 750L 1000 L

Rated feeding volume: 800L 1200L 1600 L

Rated productivity: 25m³/h 37.5m³/h 50m³/h

Power of mixing motor: 18.5KW 30KW 37kW

Power of winch motor: 5.5KW 7.5kW 10kW

Power of water pump motor: 0.75kW 1.1kW 2.2kW

Discharging height: 1500mm 1600mm 1800mm

Customized size and specification as per your drawing or sample. We Twin Shaft Concrete Mixer Cement Stand Machine suppliers UAE Dubai, can make the Twin Shaft Concrete Mixer Cement Stand Machine as per your request, specification, size and bulk quality Dubai.
