UAETRIC180003

Description :

Traffic Signal Baton Wand LED Safety Baton

Technical Specification :

Size: ? 3 X 54 cm, ? 4 X 54 cm, ? 4 X 41 cm, ? 4 X 26 cm, ? 3 X 52 cm

High brightness LED, with white top light

Colour: Red, blue, green, white

No more heavy flashlights with plastic cones attached.

Lightweight L E D traffic batons are the brighter, lighter and more durable.

These industrial quality traffic batons offer both flashing or constant light modes in single and multi color configurations.

Some models offer several colors and even built in flashlight ends as well.

Several lengths and diameters to meet your specific requirements.

Perfect for Police, Firefighters, parking valets, airport runway traffic and other public safety applications.

LED technology provides thousands of hours of service on long lasting led bulbs.

LED's have been known to last up to 100,000 hours.

Save more buying traffic batons by the case.

Size: dia.4.6 X 30 length cm

Power: Rechargeable Batteries
